HOLLOWAY PROMOTED TO ASSISTANT VICE PRESIDENT/INFORMATION TECHNOLOGY DIRECTOR

Jefferson City, MO (February 3, 2016): Matt Sinnett, President/CEO of Midwest Independent Bank (MIB) announces the promotion of Cole Holloway to AVP/Information Technology Director.

Cole has close to 15 years of IT experience, plus a wealth of knowledge on computer systems. He came to MIB in early 2015, from IBM, where he was a Subject Matter Expert for the Columbia VMware team.

Cole graduated from William Woods University in 2005 with a Bachelor of Science Degree in Computer Information Science.

MIB is a “bankers’ bank” which provides a wide array of correspondent banking services to close to 550 financial institutions throughout the Midwest. Based in Jefferson City, MIB’s banking services are provided exclusively to financial institutions. The website for MIB is www.mibanc.com.
