KIFER NAMED EMPLOYEE OF 3rd QUARTER

Jefferson City, MO (October 23, 2018): Matt Sinnett, President of Midwest Independent Bank (MIB) announced the Employee of the Quarter for the 3rd quarter as Susan Kifer. Previously Susan was named Employee of the Quarter in 2008, 2009, and 2015.

Susan Kifer, IT Manager, began employment in the Technology department in 2005 as In-House Programmer. She was later promoted to Business Analyst/Database Administrator, and then in 2015 to IT Manager. Her duties include planning, coordinating, directing, and designing IT-related activities of the organization, as well as provide administrative direction and support for daily operational activities of the IT department. Susan has a Bachelor's degree in Computer Information Systems with an emphasis in Programming and database Infrastructure from Lincoln University. She has close to 20 years of banking experience in many departments.

MIB is a “bankers’ bank” which provides a wide array of correspondent banking services to approximately 525 financial institutions throughout the Midwest. Based in Jefferson City, MIB’s banking services are provided exclusively to financial institutions. The website for MIB is www.mibanc.com.
